

Help Wanted!! Yes, it's that time of year again – the Chapter Meet is coming up. Hopefully you've got the date reserved, as you have the Chapter calendar with the date marked! This year our Meet will again be at our Chapter sponsor's, Kennedy Franchising (Steve Hendrickson's), in Long Lake. We need judges or we will have to turn away cars, so I just want to pass on this reminder. It is the responsibility of each NCRS Chapter to hold an annual judging meet and therefore, the responsibility of the members to judge at this meet. So I'm asking you as members of North Central Chapter to sign up now to judge at our Chapter Meet on Saturday, August 16th. For those of you who don't have much experience yet as a judge, don't worry, you'll be paired with an experienced judge. We also plan to have another two judging schools prior to the meet. Please send in your registration forms (in this newsletter and on our website) indicating your preference for judging. That allows me to get the judging teams set up in advance. This year the board has decided to give t-shirts to anyone who judges or tabulates at the meet! So if you want the correct size t-shirt, be sure to fill out the form and send it in early! Remember this is a great time to bring your wife/friend along to get to know the other women in the Chapter. Val will be tabulating at the Meet and is always looking for help.

So please, take responsibility as a member and judge at our Meet. I look forward to seeing you on August 16th and hopefully at the judging schools in July and August.

Dale Crosby
Chapter Judging Chairman
